New Business:

Road Issues: Bill Krivanek stated the work required for Carlos Bluffs and Terrace Road have been completed. Riley Brothers could not confirm when they will begin work on South Park Drive.

The clerk received a call from Jeff Parkin, regarding signs the township needed to order. Along with that call, he indicated brushing needed to be done at the corner of CR11 and Birchwood East. The clerk will contact R&R. Hidden Oaks Drive needs brushing and there is a large washout at the corner of Hidden Oaks Lane and Drive in the right of way. Chairman Waldorf will take a look at the area.

A section of Three Havens Drive, which is in the Alexandria city limits was mistakenly seal coated. Jeff Stabnow had communicated with Bill Krivanek specifying the cost would be \$1,100.00. Jeff was going to contact the city.

Paul Klimek contacted the clerk looking for documentation showing the township would take over the new storm water pond he is building. The clerk sent him the minutes from that meeting, which indicated the discussion that the township would take it over. If Mr. Klimek needs a resolution, he will get back to the township.

Kevin Gorghuber arrived at the meeting to give a report on AAEDC. He will continue to be the township's representative on the AAEDC board.

There being no further business, Bill Krivanek moved to adjourn at 8:15 PM. Rod Meyers seconded the motion and it carried unanimously.
