### **General Election**

The township will hold the General Election at the Carlos Town Hall. The township will be using all recommendation from the state to include social distancing, sanitizers, and masks for its poll workers. The township would appreciate all residents voting in person to also use these recommendations for themselves and for their neighbors.

If voting in person poses a concern, please take advantage of voting absentee.

You may do so at the county auditor's office before Election Day.

On the day of the elections, the polls will be open from 7:00 AM to 8:00 PM.

### ***Be sure to exercise your right to vote!***

The polling place for residents of Carlos Township will be held at the Carlos Town Hall, which is located in the City of Carlos. The Town Hall is located directly across from the water tower at 210 Victoria Street.

### Am I eligible to vote?

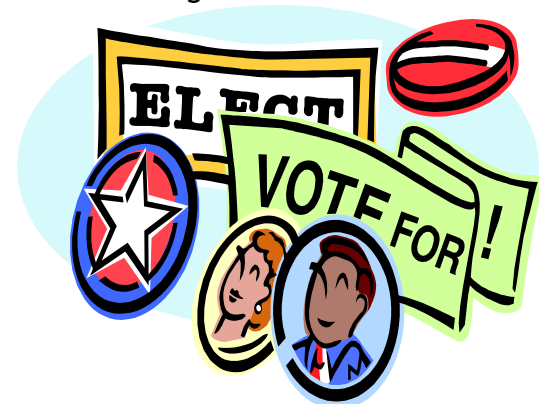

You may register and vote in Minnesota on Election Day if you:

- Will be at least 18-years old on Election Day
- Are a citizen of the United States
- Will have resided in Minnesota for 20 days immediately preceding Election Day
- Have any felony conviction record discharged, expired, or completed
- Are not under court-ordered guardianship where a court has revoked your voting rights
- Have not been ruled legally incompetent by a court of law
- If you are already registered to vote, MN law does not require you to present ID.

### Registering on Election Day

If you are not registered to vote or need to update your registration information, you may do so at your local polling location on Election Day. However, you are required to provide proof of residence and ID when registering on Election Day.

Check out the Secretary of State website or the County Auditor to review which documents are needed to register.

Road Maintenance

R&R Ready Mix was awarded the Road Maintenance contract for August 2020- July 2022. If you have any concerns with snowplowing, blading, debris in the right of way, please contact a board member and they will get the message to R&R.

**Your Cooperation Will Be Appreciated**

## **COVID-19**

Douglas County is experiencing an increase in COVID-19 cases. With restrictions being relaxed, it is still very important to adhere to the Minnesota Department of Health's recommendations to prevent further spread of the virus. The longer these recommendations are not followed, the longer it will take for the country to get back to- what all of think is normal.

With the addition of flu season, your cooperation is all more important.  
**HAVE A SAFE AND HAPPY HOLIDAY SEASON**

## Township Election of Officers

The township election for officers will be on the November 3, 2020 General Election ballot.

The positions up for election are two (2) supervisors for a 4 year term, (Supervisor A and Supervisor B) along with a 4 year term for Treasurer. Rodney Meyers has filed for re-election for Supervisor A and Dwayne Waldorf has filed for Supervisor B. The Treasurer's position will be for a write-in candidate as Dean Yohnke is retiring.

**Thank You Dean for 60 years of service to Carlos Township. Dean began his tenure with the township as a supervisor, then followed up with the treasurer's position. The board will indeed miss you.**

## Road Project

The construction project from 300 feet of East Lake Carlos Drive by the channel south of East Lake Carlos Lane has been completed.

## Township Policies

The township has written policies for residents of the township. Please check out the township's website at [www.carlostownship.org](http://www.carlostownship.org) to view all these policies.

## Winter Weather

It's that time of the year again that we need to remind everyone that it is unlawful to dump, plow or push snow from private driveways onto a public road. **Under Minnesota Statutes, Chapter 160.2715, violation of this statute is a misdemeanor.**

Be sure to let those whom you hire to push snow, know about this law, as well as the consequences for violation.

Snow dumped on public roads or the right of way can create a hazard, not only for motorists, but also snowplows. Even heavy snowplows have been damaged when hitting compacted and frozen snow.
