

MINUTES  
CARLOS TOWN BOARD  
March 25, 2021 Carlos Town Hall  
Regular Meeting

Board Members attending: Supervisors Rod Meyers, Dwayne Waldorf along with Clerk Rebecca Anderson. Bill Krivanek was absent.

Guest attending: None

Chairman Meyers called the meeting to order at 7:00 PM, and led the board with reciting the Pledge of Allegiance.

Dwayne Waldorf moved to approve the minutes of March 11, 2021 as printed. Rod Meyers seconded the motion and it carried.

Zoning: Both Schuelke and Dwyer's applications were *approved*

Committee Reports: Nothing to report.

Douglas County Association of Township Meeting Recap: The clerk would like to mirror the resolutions from other townships in regard to the increase in gopher bounty voted on by members. The sheriff's office is not interested in picking up stray dogs for townships. The board will look at other alternatives.

Road Issues: The clerk had a call from a resident on Sandhill Lane in regard to speeding. Dwayne Waldorf will contact the resident. The board reviewed the cost of sweeping the township from previous years. The board will take this up again at the meeting in April. The board will also review spraying the township's ROW for noxious weeds.

Jeff Stabnow suggest installing a rain garden, as the owner indicated she is now receiving water in her basement. The board will review this again at a later date, as it is unclear why the township should be paying for this project as the township has not changed anything in regard to maintaining the roadway.

Dwayne Waldorf spoke with Scott Green at the county to see if the rocks placed by the dam culvert should be removed. Mr. Green suggested the township speak with the DNR. The board may need to look at other erosion methods in this area.

The board reviewed building permits.

There being no further business, Dwayne Waldorf moved to adjourn at 7:54 PM with Chairman Meyers seconding the motion and it carried.
